1 Interior

Luggage compartment management system

The flexible cargo system with slot-in sections enables the luggage compartment to be partitioned as needed.

Retractable luggage compartment cover, incl. net bag

Protects your luggage from prying eyes and sunlight. Retractable design for easy use. Simple to remove when transporting larger items.

Protective divider plus, incl. luggage compartment cover

The clever 2-in-1 solution offers flexibility and safety. Thanks to the safety net with integrated luggage compartment cover, you can always make the most of your trunk space.

Net set for luggage compartment

Safely stow loose items. Comprised of one net for the floor and one for the side compartment.

Center armrest

Even greater comfort, especially on long journeys. Easy to fold up.

Cargo area tray

The waterproof, non-slip material protects the luggage compartment and its lining from water, dirt and wear. Secured with Velcro fasteners and removable at any time as needed.

Cabrio wind deflector

Helps eliminate wind turbulence during top-down driving by reducing the air flow in the interior. Makes top-down driving a real pleasure, even when outside temperatures are low.

Luggage fastener

The foam-filled, elastic nylon fastener adapts perfectly to the shape of the luggage and can be secured with Velcro, helping to ensure luggage remains in place.

Velour floor mats, set of 2

A perfect match to the interior's color scheme and fit – high quality, hard-wearing, with the smart logo and silver looped edging.

Ribbed floor mats, set of 2

Hard-wearing, carpet-like ambiance, these mats provide an inexpensive option for drivers.

All-weather floor mats, set of 2

Made of dirt- and water-resistant rubber, these non-slip mats protect the carpet and are easy to clean.

All floor mats have a secure fastening on the driver's side.

Door sills, set of 2

Create a great first impression: elegant door sills greet the driver and the passenger as soon as the door is opened. Made of brushed aluminum and featuring embossed smart lettering.

Rubber mats for storage compartments, set of 3

Enhance the appearance of the vehicle's interior with this set of three non-slip rubber mats. These mats help ensure that small items on the instrument panel (wallet, keys, etc.) make no noise and stay put.

Cup holder

Securely holds two cups, cans or bottles of different sizes. In addition, larger bottles can be held in place with a folding holder beside the center console.

CD holder, for 6 CDs

Holds up to six CDs safely and securely. The CD holder is located in direct reach of the driver and passenger. Simply unclip it and you can take your CDs with you wherever you go.

Glasses compartment

Ample room for almost all types of glasses – within easy reach of the driver. The compartment has a magnetic closure to help prevent glasses from falling out.

2 Exterior

smart design sticker

Black (not shown) or silver, horizontal or vertical, one or several numbers - when it comes to making your smart fortwo even more personalized, the choice is yours. Easy to apply, non-fading and car-wash proof.

Cape car cover

The hard-wearing, water-repellent material and the perfect fit combine to help protect your smart fortwo from the elements, extreme temperatures and dirt.

Bicycle rack

(Shown with basic rack). Simply insert the bicycle into the rack system and secure it with the lockable frame holder. Basic rack holds up to two bicycle racks.

Basic rack

An ideal and safe platform for various rack systems (i.e. bicycle rack, snowboard rack). The rear window can be opened even when the rack is loaded.

Ski and snowboard rack

(Includes basic rack). Available separately, but can be combined (as shown), with space for two pairs of skis and a snowboard. On its own, the ski rack holds two pairs of skis and the snowboard rack fits two snowboards.

Chrome elements

Small details that make a big difference. The highly polished chrome mirror housings, door handle inserts and tailgate trim immediately give your smart fortwo a more elegant appearance.

License plate frames

Stylish frame with smart logo printed along bottom of frame. Available in polished and black powder stainless steel.

Mud flaps, set of 2

Protect your smart fortwo from most road spray and chip damage. Tailored to the contours of the vehicle while adding to its sporty and compact look.

3 Electronics

smart multimedia navigation system

The 6.5" touchscreen color display features Radio, Navigation with 2D and 3D map display, destination input via voice controls, traffic information (TMC), in addition to iPod®, USB and AUX connectors. A CD/DVD drive, SD-Memory card slot and Bluetooth® connectivity for hands-free calling make up this encompassing device. Two integrated door loudspeakers enable optimal sound in your smart.

iPod® integration kit for the smart Bluetooth® hands-free system*

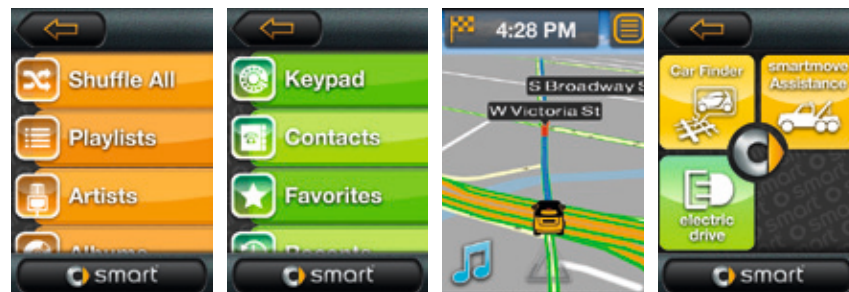

Turns your hands-free system into an extension of your iPod®, with the interface in the glove compartment, the click central controller and the familiar menu navigation on the display of the hands-free system, you'll use your iPod® on even the shortest journeys. (Optional iPod® integration kit and smart Bluetooth® sold separately.)

smart Bluetooth® hands-free system*

Fully integrated. Convenient voice activated control, wireless controller on the center console, enabling voice and sound output in excellent quality via the vehicle's loudspeakers. Music from your mobile device can be played via Bluetooth® audio streaming or via the optional iPod® integration kit (sold separately).

* Product was photographed in a smart BRABUS.

smart drive kit for the iPhone®, 3G/3GS/4/4S*

State-of-the-art functionality:

cradle + app = smart drive kit for the iPhone®. Download the smart drive app for the iPhone® from the App Store and turn your iPhone® into an online information and multimedia system. For example, the cradle then becomes a full Bluetooth® hands-free system, and if you extend the app by purchasing the navigation upgrade your iPhone® even becomes a navigation system. In addition to real time traffic, internet radio**, car finder, all while your iPhone® charges when docked in the cradle.

* Product was photographed in a smart BRABUS. The functionality of the app can only be guaranteed for the iPhone® 3GS, iPhone® 4 and iPhone® 4S.

** Roaming charges may apply.
