

# 2017 Golf GTI

Exceptional exists  
for less than you think.

From only \$31,240.\*

Whether you're parked in front of the night club or right on the beach, the 2017 Golf GTI will turn heads with its clean, no-nonsense styling and performance highlights. Then when you push the gas pedal, look out. The 2.0 TSI® engine puts 210 horsepower at your command, while the finely tuned sport suspension with a sophisticated Cross Differential System lets you go corner to corner like a pro. You can even enjoy the manual transmission experience or the available Tiptronic® transmission that features steering-wheel paddle shifters. Inside this hot hatch, you'll discover sports-car looks and the newest tech, like App-Connect, to keep you connected. There's even an available Fender® Premium Audio System, so every ride is worthy of an encore. Best of all, this premium performance package is available for less than you'd think.

## Key Features

### 2.0 TSI® engine

This meticulously tuned engine delivers a breathtaking 210 HP and 258 lb-ft of torque, helping make every drive a drive to remember.

### Sport suspension

The GTI suspension system has been carefully tuned to offer improved stability, control and performance for a better driving experience.

### Cross Differential System (XDS)

Turn the corner on cornering with our standard wheel lock/stabilizer system. If a wheel spins after turning a corner, XDS will apply that wheel's brake while directing a better grip to it. Sporty never felt so safe.

### Customizable ambient interior lighting

Add a true level of customization after the sun sets. Ambient LED lighting in the doors, foot wells and centre console add a dash of sportiness and help you find things more easily.

### Premium colour multifunction display<sup>†</sup>

Conveniently displays vehicle information like fuel range, outside temperature, trip information, lighting and security settings, and more.

### Available Adaptive Cruise Control<sup>\*\*</sup>

Your speed and distance from cars ahead is automatically regulated without you having to touch gas or brake pedals. You can also specify the distance between you and the car ahead. It's the stress-free way to go for a ride.

<sup>†</sup>Do not drive distracted. <sup>†</sup>Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

<sup>\*\*</sup>In emergency situations, it is still necessary to apply the brakes manually.
