

# 2017 Golf R

Exceptional exists  
for less than you think.

From only \$42,440.\*

When Golf R drivers meet each other on the road, it's not uncommon for them to acknowledge each other in some way. It's a friendly affirmation that they are part of a select group of drivers who truly appreciate the acceleration, handling and all-out fun of an undeniable performance car. Discover for yourself how 292 horsepower, 4MOTION® All-Wheel Drive and a finely tuned suspension system can make you feel behind the wheel. You'll also discover a very refined sport interior that puts advanced technology at your fingertips and keeps you more than comfortable on every drive. The 2017 Golf R was made for driving enthusiasts who also know great value when they see it.

Lapiz Blue Metallic	✓
Limestone Grey Metallic	✓
Reflex Silver Metallic	✓
Deep Black Pearl	✓
Oryx White Pearl	✓

## Key Features

### 4MOTION® All-Wheel Drive

Under normal driving conditions, 100% of driving torque is sent to the front axle to save fuel. If road conditions change, the system automatically shifts power to the wheel that has the most grip to ensure optimum traction. It helps ensure the Golf R hugs the road securely even in tight cornering.

### Fender® Premium Audio System

This 400-watt system delivers rich sound in the high, low and mid range. And each of the 8 speakers has been carefully situated to give you the very best listening experience possible.

### Enhanced 2.0 TSI® engine

Compared to the standard 2.0 TSI® engine, the turbocharger is bigger and the cylinder heads, exhaust valves and pistons have been strengthened to deliver 292 HP. This makes the Golf R exceptionally quick off the line, and it can do 0-60 in less than 5 seconds.<sup>1</sup>

### Available Adaptive Cruise Control<sup>1\*\*</sup>

Your speed and distance from cars ahead is automatically regulated without you having to touch gas or brake pedals. It helps keep you at a safe distance – even in stop-and-go traffic. You can also specify the distance between you and the car ahead.

### Available Discover Pro Media Centre<sup>††</sup>

The 8.0" touchscreen features a navigation system with traffic alert, CD drive, radio and 2 SD card slots.

### Available Light Assist

This is a very convenient feature when you are driving outside of the city and are using the high beams. The system can automatically turn off the high beams temporarily when there is a vehicle ahead of you in your lane or coming toward you in the oncoming lane.

<sup>1</sup>Please drive safely and obey all traffic laws including speed limits. <sup>††</sup>Do not drive distracted. <sup>‡</sup>Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road. <sup>\*\*</sup>In emergency situations, it is still necessary to apply the brakes manually.

### Engines:

- 2.0 TSI® 292 HP, 6-speed manual transmission with 4MOTION®
- 2.0 TSI® 292 HP, 6-speed automatic DSG® with 4MOTION®

© 2016 Volkswagen Canada. Features noted as available are available in optional packages. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with summer performance tires. Appropriate all-season or winter weather tires are required for driving during cold, snowy or icy weather conditions. Please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
